PROFIT GUIDANCE FOR THE SIX MONTHS ENDED 31 DECEMBER 2025

The Board of Directors (the "**Board**" or "**Directors**") of OTS Holdings Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce that, following a preliminary review of the unaudited consolidated financial results of the Group for the six months ended 31 December 2025 ("**1H2026**"), the Group is expected to report a consolidated net loss for 1H2026, as compared to a net profit for the six months ended 31 December 2024.

The loss is mainly attributable to lower revenue generated, particularly in the export segment due to evolving market dynamics overseas and changes in customers' order patterns.

The Company is still in the process of finalising the unaudited consolidated financial results of the Group for 1H2026 and further details of the Group's financial performance will be disclosed in the Group's financial results for 1H2026, to be released on or around 13 February 2026. In the meantime, shareholders and potential investors are advised to read this announcement and any further announcements by the Company carefully.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
